STATE OF EMERGENCY

WHEREAS, beginning on December 29, 2009 and continuing, Kentucky Emergency Management has been notified by the City of Buckhorn in Perry County that an ongoing water shortage existed and continues to exist because of a major water line break, multiple subsequent leaks, water storage tanks emptying that supply the cities of Buckhorn, Hazard and Vicco in Perry County, and most recently a frozen intake water valve which continues to stagger the availability of water; and

WHEREAS, these conditions continue to endanger public health and safety with potential threats to public and private property; and

WHEREAS, state and local governments share responsibility for protection of public health, safety, and security as well as for protection of public and private property and to take appropriate actions to ensure the provision of essential public services:

NOW, THEREFORE, I, Steven L. Beshear, Governor of the Commonwealth of Kentucky, by virtue of authority vested in me by the Constitution of Kentucky and by Chapter 39 of the Kentucky Revised Statutes, do hereby declare that a State of Emergency exists in Perry County, Kentucky and do hereby ORDER and DIRECT that:

1. The Division of Emergency Management within the Department of Military Affairs shall execute the Kentucky Emergency Operations Plan and, from the Kentucky Emergency Operations Center, shall coordinate the response and relief activities of all state agencies and private relief organizations in response to this emergency.

2. The Adjutant General is authorized to issue active duty orders for the mobilization of such National Guard personnel and equipment as he may determine to protect life and safety to continue essential public services and to prevent undue loss and suffering.

3. All state agencies shall coordinate any and all public information and emergency information activities and releases related to this emergency and the response efforts of state agencies with the Division of Emergency Management.

4. All state agencies shall provide any personnel required for the staffing of the Kentucky Emergency Operations Center or other command, control, and coordination points as may be designated by the Division of Emergency Management and shall provide such personnel, equipment and other resources needed to protect life and property and to ensure continuation of essential public services.

5. The Finance and Administration Cabinet is directed to fund the urgent operational or response costs of the Division of Emergency Management and the unbudgeted expenditures and obligations of other state agencies that are incurred in response to this emergency and in executing the provisions of this Executive Order.

6. The Division of Emergency Management is authorized to request such federal assistance as may be available to minimize human suffering and restore essential services to public through local governments resulting from this emergency.

7. The Division of Emergency Management shall consult with the American National Red Cross and local officials to determine the need for emergency shelters for displaced families and shall coordinate with local school boards and other organizations to determine the availability of schools and other facilities to be used as shelters during this emergency.

8. Transportation on and access to any and all public roadways in the affected area may be restricted or prohibited in the interest of public health and safety.

9. The Kentucky Community Crisis Response Board (KCCRB) is directed to activate their network of trained counselors to provide crisis response services to citizens in the affected area.
