COMMONWEALTH OF KENTUCKY

1 AN ACT relating to school district superintendents.

2 *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

3 →Section 1. KRS 160.380 is amended to read as follows:

4 (1) As used in this section:

5 (a) "Alternative education program" means a program that exists to meet the
 6 needs of students that cannot be addressed in a traditional classroom setting
 7 but through the assignment of students to alternative classrooms, centers,
 8 or campuses that are designed to remediate academic performance, improve
 9 behavior, or provide an enhanced learning experience. Alternative
 10 education programs do not include career or technical centers or
 11 departments.

12 (b) "Contractor" means an adult who is permitted access to school grounds
 13 pursuant to a current or prospective contractual agreement with the school,
 14 school board, school district, or school-affiliated entity, at times when
 15 students are present. The term "contractor" includes an employee of a
 16 contractor;

17 ~~(c)~~~~(b)~~ "Relative" means father, mother, brother, sister, husband, wife, son,
 18 daughter, aunt, uncle, son-in-law, and daughter-in-law; and

19 ~~(d)~~~~(e)~~ "Vacancy" means any certified position opening created by the
 20 resignation, dismissal, nonrenewal of contract, transfer, or death of a certified
 21 staff member of a local school district, or a new position created in a local
 22 school district for which certification is required. However, if an employer-
 23 employee-bargained contract contains procedures for filling certified position
 24 openings created by the resignation, dismissal, nonrenewal of contract,
 25 transfer, or death of a certified staff member, or creation of a new position for
 26 which certification is required, a vacancy shall not exist, unless certified
 27 positions remain open after compliance with those procedures.

1 (2) Except as provided in KRS 160.346:

2 (a) All appointments, promotions, and transfers of principals, supervisors,
3 teachers, and other public school employees shall be made only by the
4 superintendent of schools, who shall notify the board of the action taken. All
5 employees of the local district shall have the qualifications prescribed by law
6 and by the administrative regulations of the Kentucky Board of Education and
7 of the employing board. Supervisors, principals, teachers, and other
8 employees may be appointed by the superintendent for any school year at any
9 time after February 1 preceding the beginning of the school year. No
10 superintendent of schools shall appoint or transfer himself or herself to
11 another position within the school district;

12 (b) When a vacancy occurs in a local school district, the superintendent shall
13 notify the chief state school officer thirty (30) days before the position shall be
14 filled. The chief state school officer shall keep a registry of local district
15 vacancies which shall be made available to the public. The local school
16 district shall post position openings in the local board office for public
17 viewing;

18 (c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent
19 disruption of necessary instructional or support services of the school district,
20 the superintendent may seek a waiver from the chief state school officer. If the
21 waiver is approved, the appointment shall not be made until the person
22 recommended for the position has been approved by the chief state school
23 officer. The chief state school officer shall respond to a district's request for
24 waiver or for approval of an appointment within two (2) working days;

25 (d) When a vacancy occurs in a local district, the superintendent shall conduct a
26 search to locate minority teachers to be considered for the position. The
27 superintendent shall, pursuant to administrative regulations of the Kentucky

1 Board of Education, report annually the district's recruitment process and the
2 activities used to increase the percentage of minority teachers in the district;

3 (e) No relative of a superintendent of schools shall be an employee of the school
4 district. However, this shall not apply to a relative who is a classified or
5 certified employee of the school district for at least thirty-six (36) months
6 prior to the superintendent assuming office, or prior to marrying a relative of
7 the superintendent, and who is qualified for the position the employee holds.
8 A superintendent's spouse who has at least twenty (20) years of service in
9 school systems may be an employee of the school district. A superintendent's
10 spouse who is employed under this provision shall not hold a position in
11 which the spouse supervises certified or classified employees. A
12 superintendent's spouse may supervise teacher aides and student teachers.
13 However, the superintendent shall not promote a relative who continues
14 employment under an exception of this subsection;

15 (f) No superintendent shall employ a relative of a school board member of the
16 district, unless on July 13, 1990, the board member's relative is an employee
17 of the district, the board member is holding office, and the relative was not
18 initially hired by the district during the tenure of the board member. A relative
19 employed in 1989-90 and initially hired during the tenure of a board member
20 serving on July 13, 1990, may continue to be employed during the remainder
21 of the board member's term. However, the superintendent shall not promote
22 any relative of a school board member who continues employment under the
23 exception of this subsection; and

24 (g) 1. No principal's relative shall be employed in the principal's school, except
25 a relative who is not the principal's spouse and who was employed in the
26 principal's school during the 1989-90 school year.

27 2. No spouse of a principal shall be employed in the principal's school,

1 except:

2 a. A principal's spouse who was employed in the principal's school
3 during the 1989-90 school year for whom there is no position for
4 which the spouse is certified to fill in another school operated in
5 the district; or

6 b. A principal's spouse who was employed in the 1989-90 school year
7 and is in a school district containing no more than one (1)
8 elementary school, one (1) middle school, and one (1) high school.

9 3. A principal's spouse who is employed in the principal's school shall be
10 evaluated by a school administrator other than the principal.

11 4. The provisions of KRS 161.760 shall not apply to any transfer made in
12 order to comply with the provisions of this paragraph.

13 (3) *No superintendent shall assign a certified or classified staff person to an*
14 *alternative education program as part of any disciplinary action taken pursuant*
15 *to KRS 161.790 or KRS 161.011 or as part of a corrective action plan established*
16 *pursuant to the local district evaluation plan.*

17 (4) No superintendent shall employ in any position in the district any person who is a
18 violent offender or has been convicted of a sex crime as defined by KRS 17.165
19 which is classified as a felony. The superintendent may employ, at his discretion,

25 (6) months of the date of hire and who had previously submitted to a national
26 and state criminal background check for the previous employment.

27 (b) The superintendent shall require that each new certified hire and student

1 teacher, as set forth in paragraph (a) of this subsection, submit to a national
2 and state criminal history background check by the Department of Kentucky
3 State Police and the Federal Bureau of Investigation.

4 (c) All fingerprints requested under this section shall be on an applicant
5 fingerprint card provided by the Department of Kentucky State Police. The
6 fingerprint cards shall be forwarded to the Federal Bureau of Investigation
7 from the Department of Kentucky State Police after a state criminal
8 background check is conducted. The results of the state and federal criminal
9 background check shall be sent to the hiring superintendent. Any fee charged
10 by the Department of Kentucky State Police and the Federal Bureau of
11 Investigation shall be an amount no greater than the actual cost of processing
12 the request and conducting the search.

13 (d) The Education Professional Standards Board may promulgate administrative
14 regulations to impose additional qualifications to meet the requirements of
15 Public Law 92-544.

16 ~~(6)~~~~(5)~~ A superintendent shall require a state criminal background check on all

23 (b) Any request for records under this section shall be on an applicant fingerprint
24 card provided by the Department of Kentucky State Police. The results of the
25 state criminal background check and the results of the national criminal
26 history background check, if requested under the provisions of paragraph (a)

10 Department of Kentucky State Police shall be an amount no greater than the actual
11 cost of processing the request and conducting the search.

12 ~~(8)(7)~~ (a) If a school term has begun and a certified or classified position remains
13 unfilled or if a vacancy occurs during a school term, a superintendent may
14 employ an individual, who will have supervisory or disciplinary authority over
15 minors, on probationary status pending receipt of the criminal history
16 background check. Application for the criminal record of a probationary
17 employee shall be made no later than the date probationary employment
18 begins.

19 (b) Employment shall be contingent on the receipt of the criminal history
20 background check documenting that the probationary employee has no record
21 of a sex crime nor as a violent offender as defined in KRS 17.165.

22 (c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary,
23 probationary employment under this section shall terminate on receipt by the
24 school district of a criminal history background check documenting a record
25 of a sex crime or as a violent offender as defined in KRS 17.165 and no
26 further procedures shall be required.

27 (d) The provisions of KRS 161.790 shall apply to terminate employment of a

1 certified employee on the basis of a criminal record other than a record of a
2 sex crime or as a violent offender as defined in KRS 17.165.

11 (b) Each application or renewal form, provided by the employer to an applicant
12 for a certified position, shall conspicuously state the following: "FOR THIS
13 TYPE OF EMPLOYMENT, STATE LAW REQUIRES A NATIONAL AND

16 (c) Each application form for a district position shall require the applicant to:

 10 contrary, when an employee of the school district is charged with any offense which
 11 is classified as a felony, the superintendent may transfer the employee to a second

 13 dismissed, the employee is terminated, or the superintendent determines that further
 14 personnel action is not required. The employee shall continue to be paid at the same
 15 rate of pay he or she received prior to the transfer. If an employee is charged with an
 16 offense outside of the Commonwealth, this provision may also be applied if the
 17 charge would have been treated as a felony if committed within the Commonwealth.
 18 Transfers shall be made to prevent disruption of the educational process and district
 19 operations and in the interest of students and staff and shall not be construed as
 20 evidence of misconduct.

24 shall be evaluated based on the status of the school under this
25 subparagraph and subparagraph 1. of this paragraph; and

22 recommendation is to transfer the authority of the school council, the
23 team shall also recommend whether:

- 24 a. The authority should be transferred to the superintendent or to the
25 commissioner of education, who shall designate staff to manage

16 implementation and results of the approved plan.

17 (8) The school's right to establish a council or the school's right for the council to

19 is not classified as persistently low achieving for two (2) consecutive years.

20 (9) Each persistently low-achieving school shall engage in one (1) of the following

16 their accountability measures, reassignment of the school's faculty and staff to
17 available positions within the district, and which may result in nonrenewal of
18 contracts, dismissal, demotion, or a combination of these personnel actions
19 which shall comply with KRS Chapter 161 and notwithstanding KRS
20 160.380(1)(~~d~~)(~~e~~) relating to filling vacant positions and KRS

10 precedence over the requirements of paragraphs (b), (c), and (d) of subsection (9) of
11 this section.

12 (11) The Department of Education shall provide services and support to assist the
13 schools identified as persistently low-achieving.
