(3) (a) Notwithstanding the provisions of subsection (1) of this section, each trustee

(b) The term limits established by paragraph (a) of this subsection shall apply to
trustees serving on or after July 1, 2012, and all terms of office served prior to
July 1, 2012, shall be used to determine if the trustee has exceeded the term
limits provided by paragraph (a) of this subsection.

(4) (a) The trustees selected by the membership of each of the various retirement
systems shall be elected by ballot. For each trustee to be elected, the board
may nominate, not less than six (6) months before a term of office of a trustee
is due to expire, three (3) constitutionally eligible individuals.
(b) Individuals may be nominated by the retirement system members which are to elect the trustee by presenting to the executive director, not less than four (4) months before a term of office of a trustee is due to expire, a petition, bearing the name, last four digits of the Social Security number, and signature of no less than one-tenth (1/10) of the number voting in the last election by the retirement system members.

(c) Within four (4) months of the nominations made in accordance with paragraphs (a) and (b) of this subsection, the executive director shall cause to be prepared an official ballot. The ballot shall include the name, address, and position title of each individual nominated by the board and by petition. Provisions shall also be made for write-in votes.

(d) Except as provided by paragraph (j) of this subsection, the ballots shall be distributed to the eligible voters by mail to their last known residence address.

(e) The ballots shall be addressed to the Kentucky Retirement Systems in care of a predetermined box number at a United States Post Office located within Kentucky or submitted electronically as provided by paragraph (j) of this subsection. Access to this post office box shall be limited to the board's contracted auditing firm. The individual receiving a plurality of votes shall be declared elected.

(f) The eligible voter shall cast his ballot by checking a square opposite the name of the candidate of his choice. He shall sign and mail the ballot or submit the electronic ballot at least thirty (30) days prior to the date the term to be filled is due to expire. The latest mailing date, or date of submission in the case of electronic ballots, shall be printed on the ballot.

(g) The board's contracted auditing firm shall report in writing the outcome to the chair of the board of trustees. Cost of an election shall be payable from the funds of the system for which the trustee is elected.
For purposes of this subsection, an eligible voter shall be a person who was a member of the retirement system on December 31 of the year preceding the election year.

Each individual who submits a request to be nominated by the board under paragraph (a) of this subsection and each individual who is nominated by the membership under paragraph (b) of this subsection shall:

1. Complete an application developed by the retirement systems which shall include but not be limited to a disclosure of any prior felonies and any conflicts of interest that would hinder the individual's ability to serve on the board;

2. Submit a resume detailing the individual's education and employment history and a cover letter detailing the member's qualifications for serving as trustee to the board; and

In lieu of the ballots mailed to members and retired members as provided by this subsection, the systems may by promulgation of administrative regulation pursuant to KRS Chapter 13A conduct trustee elections using electronic ballots, except that the systems shall mail a paper ballot upon request of any eligible voter.

Any vacancy which may occur in an appointed position shall be filled in the same manner which provides for the selection of the particular trustee, and any vacancy which may occur in an elected position shall be filled by appointment by a majority vote of the remaining elected trustees with a person selected from the system in which the vacancy occurs, and if the secretary of the Personnel Cabinet resigns his position as trustee, it shall be filled by appointment made by the Governor;
however, any vacancy shall be filled only for the duration of the unexpired term. In
the event of a vacancy of an elected trustee, Kentucky Retirement Systems shall
notify members of the system in which the vacancy occurs of the vacancy and the
opportunity to be considered for the vacant position. Any vacancy shall be filled
within ninety (90) days of the position becoming vacant.

(6) (a) Membership on the board of trustees shall not be incompatible with any other
office unless a constitutional incompatibility exists. No trustee shall serve in
more than one (1) position as trustee on the board; and if a trustee holds more
than one (1) position as trustee on the board, he shall resign a position.

(b) A trustee shall be removed from office upon conviction of a felony or for a
finding of a violation of any provision of KRS 11A.020 or 11A.040 by a court
of competent jurisdiction.

eligible to serve as a member of the board.

(7) Trustees who do not otherwise receive a salary from the State Treasury shall receive

the board shall be by affirmative vote of a majority of the trustees present.

(a) The board of trustees shall appoint or contract for the services of an executive
director and fix the compensation and other terms of employment for this
position without limitation of the provisions of KRS Chapters 18A and KRS
64.640. The executive director shall be the chief administrative officer of the
board.

(b) The board of trustees shall authorize the executive director to appoint the

to 16.652, 61.510 to 61.705, and 78.510 to 78.852, necessary or proper in
order to carry out the provisions of KRS 16.505 to 16.652, 61.510 to 61.705,
and 78.510 to 78.852. Notwithstanding any other evidence of legislative
intent, it is hereby declared to be the controlling legislative intent that the
provisions of KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852
conform with federal statute or regulation and meet the qualification
requirements under 26 U.S.C. sec. 401(a), applicable federal regulations, and
other published guidance. Provisions of KRS 16.505 to 16.652, 61.510 to
61.705, and 78.510 to 78.852 which conflict with federal statute or regulation
or qualification under 26 U.S.C. sec. 401(a), applicable federal regulations, and other published guidance shall not be available. The board shall have the authority to promulgate administrative regulations to conform with federal statute and regulation and to meet the qualification requirements under 26 U.S.C. sec. 401(a), including an administrative regulation to comply with 26 U.S.C. sec. 401(a)(9).[The board shall have the authority to promulgate an administrative regulation to comply with any consent decrees entered into by the board in Civil Action No. 3:99CV500(C) in order to bring the systems into compliance with the Age Discrimination in Employment Act, 29 U.S.C. (12) (a) The system shall publish an annual financial report showing all receipts, disbursements, assets, and liabilities. The annual report shall include a copy of an audit conducted in accordance with generally accepted auditing standards. Except as provided by paragraph (b) of this subsection, the board may select an independent certified public accountant or the Auditor of Public Accounts to perform the audit. If the audit is performed by an independent certified public accountant, the Auditor of Public Accounts shall not be required to perform an audit pursuant to KRS 43.050(2)(a), but may perform an audit at his discretion. All proceedings and records of the board shall be open for inspection by the public. The system shall make copies of the audit required
by this subsection available for examination by any member, retiree, or
beneficiary in the office of the executive director of the Kentucky Retirement

contained in the biennial budget unit request, branch budget recommendation, and
the financial plan adopted by the General Assembly pursuant to KRS Chapter 48.

(14) Any person adversely affected by a decision of the board, except as provided under

1. In good faith;
2. On an informed basis; and
3. In a manner he honestly believes to be in the best interest of the
   Kentucky Retirement Systems.
(b) A trustee discharges his duties on an informed basis if, when he makes an inquiry into the business and affairs of the Kentucky Retirement Systems or into a particular action to be taken or decision to be made, he exercises the care an ordinary prudent person in a like position would exercise under similar circumstances.

(c) In discharging his duties, a trustee may rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

1. One (1) or more officers or employees of the Kentucky Retirement Systems whom the trustee honestly believes to be reliable and competent in the matters presented;

2. Legal counsel, public accountants, actuaries, or other persons as to matters the trustee honestly believes are within the person's professional or expert competence; or

3. A committee of the board of trustees of which he is not a member if the trustee honestly believes the committee merits confidence.

(d) A trustee shall not be considered as acting in good faith if he has knowledge concerning the matter in question that makes reliance otherwise permitted by paragraph (c) of this subsection unwarranted.

(e) Any action taken as a trustee, or any failure to take any action as a trustee, shall not be the basis for monetary damages or injunctive relief unless:

1. The trustee has breached or failed to perform the duties of the trustee's office in compliance with this section; and

2. In the case of an action for monetary damages, the breach or failure to perform constitutes willful misconduct or wanton or reckless disregard for human rights, safety, or property.

(f) A person bringing an action for monetary damages under this section shall
have the burden of proving by clear and convincing evidence the provisions of
paragraph (e)1. and 2. of this subsection, and the burden of proving that the
breach or failure to perform was the legal cause of damages suffered by the
Kentucky Retirement Systems.

(g) Nothing in this section shall eliminate or limit the liability of any trustee for
any act or omission occurring prior to July 15, 1988.

(h) In discharging his or her administrative duties under this section, a trustee
shall strive to administer the retirement system in an efficient and cost-
effective manner for the taxpayers of the Commonwealth of Kentucky.

(16) When an order by the system substantially impairs the benefits or rights of a
member, retired member, or recipient, except action which relates to entitlement to
disability benefits, or when an employer disagrees with an order of the system as
provided by KRS 61.598, the affected member, retired member, recipient, or
employer may request a hearing to be held in accordance with KRS Chapter 13B.
The board may establish an appeals committee whose members shall be appointed
by the chair and who shall have authority to act upon the recommendations and
reports of the hearing officer on behalf of the board. The member, retired member,

may appeal the decision to the Franklin Circuit Court, in accordance with KRS
Chapter 13B.

(17) The board shall give the Kentucky Education Support Personnel Association
twenty-four (24) hours notice of the board meetings, to the extent possible.

(18) The board shall establish a formal trustee education program for all trustees of the

4. Actuarial and financial concepts pertaining to the retirement systems.

If a trustee fails to complete the orientation program within one (1) year from the beginning of his or her first term on the board, the retirement systems shall withhold payment of the per diem and travel expenses due to the board member under this section and KRS 16.640 and 78.780 until the trustee has completed the orientation program;

(b) Annual required training for board members on the administration, benefits, financing, and investing of the retirement systems. If a trustee fails to complete the annual required training during the calendar or fiscal year, the retirement systems shall withhold payment of the per diem and travel expenses due to the board member under this section and KRS 16.640 and 78.780 until the board member has met the annual training requirements; and

(d) Notwithstanding anything in KRS Chapter 61 to the contrary, the board of trustees, in its discretion, may take necessary steps to ensure compliance with 42 U.S.C. secs. 300bb-1 et seq., including but not limited to receiving contributions and premiums from, and providing benefits pursuant to this section to, persons entitled to continuation coverage under 42 U.S.C. secs. 300bb-1 et seq., regardless of whether such persons are recipients of a retirement allowance.

(2) (a) Each employer participating in the State Police Retirement System as
provided for in KRS 16.505 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the Kentucky Retirement Systems insurance trust fund the amount necessary to provide hospital and medical insurance as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system determined under KRS 61.565.

(b) 1. Each employer described in paragraph (a) of this subsection shall deduct from the creditable compensation of each member having a membership date on or after September 1, 2008, and effective January 1, 2019, of each member having a membership date on or after July 1, 2003, but prior to September 1, 2008, an amount equal to one percent (1%) of the member's creditable compensation. The deducted amounts shall, at the discretion of the board, be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 16.510, 61.515, and 78.520, or the Kentucky Retirement Systems insurance trust fund established under KRS 61.701, or partially to one fund with the remainder deposited to the other fund. Notwithstanding the provisions of this paragraph, a transfer of assets between the accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 16.510, 61.515, and 78.520, and the Kentucky Retirement Systems insurance trust fund established under KRS 61.701 shall not be allowed.

2. The employer shall file the contributions as provided by subparagraph 1.
of this paragraph at the retirement office in accordance with KRS 61.675 and 78.625. Any interest or penalties paid on any delinquent contributions shall be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 16.510, 61.515, and 78.520, or the Kentucky Retirement Systems insurance trust fund established under KRS 61.701. Notwithstanding any minimum compensation requirements provided by law, the deductions provided by this paragraph shall be made, and the compensation of the member shall be reduced accordingly.

3. Each employer shall submit payroll reports, contributions lists, and other data as may be required by administrative regulation promulgated by the board of trustees pursuant to KRS Chapter 13A.

4. Every member shall be deemed to consent and agree to the deductions made pursuant to this paragraph, and the payment of salary or compensation less the deductions shall be a full and complete discharge of all claims for services rendered by the person during the period covered by the payment, except as to any benefits provided by KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852. No member may elect whether to participate in, or choose the contribution amount payable to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, or the Kentucky Retirement Systems insurance trust fund established under KRS 61.701. The member shall have no option to receive the contribution required by this paragraph directly instead of having the contribution paid to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, or the Kentucky Retirement Systems insurance trust fund established under KRS 61.701.
under KRS 61.701. No member may receive a rebate or refund of contributions. If a member establishes a membership date prior to September 1, 2008, pursuant to KRS 61.552(1) or 61.552(20), then this paragraph shall not apply to the member and all contributions previously deducted in accordance with this paragraph shall be refunded to the member without interest. The contribution made pursuant to this paragraph shall not act as a reduction or offset to any other contribution required of a member or recipient under KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852.

5. The board of trustees, at its discretion, may direct that the contributions required by this paragraph be accounted for within accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, or the Kentucky Retirement Systems insurance trust fund established under KRS 61.701, through the use of separate accounts.

3 (a) The premium required to provide hospital and medical benefits under this section shall be paid:

1. Wholly or partly from funds contributed by the recipient of a retirement allowance, by payroll deduction, or otherwise;

2. Wholly or partly from funds contributed by the Kentucky Retirement Systems insurance trust fund;

3. Wholly or partly from funds contributed to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520;

4. Wholly or partly from funds contributed by another state-administered retirement system under a reciprocal arrangement, except that any portion of the premium paid from the Kentucky Retirement Systems
insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in one (1) of the systems administered by the Kentucky Retirement Systems;

5. Partly from subparagraphs 1. to 4. of this paragraph, except that any premium for hospital and medical insurance over the amount contributed by the Kentucky Retirement Systems insurance trust fund; accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520; or another state-administered retirement system under a reciprocal agreement shall be paid by the recipient by an automatic electronic transfer of funds. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the Kentucky Retirement Systems insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall pay the balance, not to exceed the monthly contribution; or

6. In full from the Kentucky Retirement Systems insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 for all recipients of a retirement allowance from any of the three (3) retirement systems where such recipient is a retired former member of one (1) or more of the three (3) retirement systems (not a beneficiary or dependent child receiving benefits) and had two hundred and forty (240) months or more of service upon retirement. Should such recipient have less than two hundred forty (240) months of service but have at least one hundred eighty (180)
months of service, seventy-five percent (75%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred eighty (180) months of service but have at least one hundred twenty (120) months of service, fifty percent (50%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred twenty (120) months of service but have at least forty-eight (48) months of service, twenty-five percent (25%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. Notwithstanding the foregoing provisions of this subsection, an employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems who becomes disabled as a direct result of an act in line of duty as defined in KRS 16.505 or as a result of a duty-related injury as defined in KRS 61.621, shall have his premium paid in full as if he had two hundred forty (240) months or more of service. Further, an employee participating in one (1) of the retirement systems administered by the
Kentucky Retirement Systems who is killed as a direct result of an act in line of duty as defined in KRS 16.505 or as a result of a duty-related injury as defined in KRS 61.621, shall have the premium for the beneficiary, if the beneficiary is the member's spouse, and for each dependent child as defined in KRS 16.505, paid so long as they individually remain eligible for a monthly retirement benefit. "Months of service" as used in this section shall mean the total months of combined service used to determine benefits under any or all of the three (3) retirement systems, except service added to determine disability benefits shall not be counted as "months of service." For current and former employees of the Council on Postsecondary Education who were employed prior to January 1, 1993, and who earn at least fifteen (15) years of service credit in the Kentucky Employees Retirement System, "months of service" shall also include vested service in another retirement system other than the Kentucky Teachers' Retirement System sponsored by the Council on Postsecondary Education.

(b) 1. For a member electing insurance coverage through the Kentucky Retirement Systems, "months of service" shall include, in addition to service as described in paragraph (a) of this subsection, service credit in one (1) of the other state-administered retirement plans.

2. Effective August 1, 1998, the Kentucky Retirement Systems shall compute the member's combined service, including service credit in another state-administered retirement plan, and calculate the portion of the member's premium to be paid by the insurance trust fund accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, according to the criteria established in paragraph (a) of this subsection. Each state-administered
retirement plan annually shall pay to the insurance trust fund the percentage of the system's cost of the retiree's monthly contribution for single coverage for hospital and medical insurance which shall be equal to the percentage of the member's number of months of service in the other state-administered retirement plan divided by his total combined service. The amounts paid by the other state-administered retirement plans and the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall not be more than one hundred percent (100%) of the monthly contribution adopted by the respective boards of trustees.

3. A member may not elect coverage for hospital and medical benefits under this subsection through more than one (1) of the state-administered retirement plans.

4. A state-administered retirement plan shall not pay any portion of a member's monthly contribution for medical insurance unless the member is a recipient or annuitant of the plan.

5. The premium paid by the Kentucky Retirement Systems insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall not exceed one hundred percent (100%) of the monthly contribution rate toward hospital and medical insurance coverage approved by the board of trustees of the Kentucky Retirement Systems.

(4) (a) Group rates under the hospital and medical insurance plan shall be made available to the spouse, each dependent child, and each disabled child, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the hospital and medical insurance for the spouse, each dependent child, and each disabled child, or beneficiary is
paid by payroll deduction from the retirement allowance or by another
method. For purposes of this subsection only, a child shall be considered
disabled if he has been determined to be eligible for federal Social Security
disability benefits or meets the dependent disability standard established by
the Department of Employee Insurance in the Personnel Cabinet.

(b) The other provisions of this section notwithstanding, the insurance trust fund
or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds
established in KRS 16.510, 61.515, and 78.520 shall pay a percentage of the
monthly contribution for the spouse and for each dependent child of a
recipient who was a member of the General Assembly and is receiving a
retirement allowance based on General Assembly service, of the Kentucky
Employees Retirement System and determined to be in a hazardous position,
of the County Employees Retirement System, and determined to be in a
hazardous position or of the State Police Retirement System. The percentage
of the monthly contribution paid for the spouse and each dependent child of a
recipient who was in a hazardous position shall be based solely on the
member's service with the State Police Retirement System or service in a
hazardous position using the formula in subsection (3)(a) of this section,
except that for any recipient of a retirement allowance from the County
Employees Retirement System who was contributing to the system on January
1, 1998, for service in a hazardous position, the percentage of the monthly
contribution shall be based on the total of hazardous service and any
nonhazardous service as a police or firefighter with the same agency, if that
agency was participating in the County Employees Retirement System but did
not offer hazardous duty coverage for its police and firefighters at the time of
initial participation.

(c) The insurance trust fund or accounts established pursuant to 26 U.S.C. sec.
401(h) within the funds established in KRS 16.510, KRS 61.515, and 78.520 shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage. If the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 provides coverage for the spouse or each dependent child of a former member of the County Employees Retirement System, the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall continue the same level of coverage for the spouse or each dependent child after the age of sixty-five (65) as before the age of sixty-five (65), if the spouse or dependent child is not eligible for Medicare coverage.

(5) After July 1, 1998, notwithstanding any other provision to the contrary, a member who holds a judicial office but did not elect to participate in the Judicial Retirement Plan and is participating instead in the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System, as provided in KRS 61.680, and who has at least twenty (20) years of total service, one-half (1/2) of which is in a judicial office, shall receive the same hospital and medical insurance benefits, including paid benefits for spouse and dependents, as provided to persons retiring under the provisions of KRS 21.427. The Administrative Office of the Courts shall pay the cost of the medical insurance benefits provided by this subsection.

(6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h)
within the funds established in KRS 16.510, 61.515, and 78.520 shall not constitute taxable income to an insured recipient. No commission shall be paid for hospital and medical insurance procured under authority of this section.

(7) The board shall promulgate an administrative regulation to establish a medical insurance reimbursement plan to provide reimbursement for hospital and medical insurance premiums of recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky and having the same Medicare hospital and medical insurance eligibility status. An eligible recipient shall file proof of payment for hospital and medical insurance at the retirement office. Reimbursement to eligible recipients shall be made on a quarterly basis. The recipient shall be eligible for reimbursement of substantiated medical insurance premiums for an amount not to exceed the total monthly premium determined under subsection (3) of this section. The plan shall not be made available if all recipients are eligible for the same coverage as recipients living in Kentucky.

(8) (a) 1. For employees having a membership date on or after July 1, 2003, and before September 1, 2008, participation in the insurance benefits provided under this section shall not be allowed until the employee has earned at least one hundred twenty (120) months of service in the state-administered retirement systems.

2. For an employee having a membership date on or after September 1, 2008, participation in the insurance benefits provided under this section shall not be allowed until the employee has earned at least one hundred eighty (180) months of service credited under KRS 16.543(1), 61.543(1), or 78.615(1) or another state-administered retirement system.

(b) An employee who meets the minimum service requirements as provided by paragraph (a) of this subsection shall be eligible for benefits as follows:
1. For employees who are not in a hazardous position, a monthly insurance contribution of ten dollars ($10) for each year of service as a participating employee.

2. For employees who are in a hazardous position or who participate in the State Police Retirement System, a monthly insurance contribution of fifteen dollars ($15) for each year of service as a participating employee in a hazardous position or as a participating member of the State Police Retirement System. Upon the death of the retired member, the beneficiary, if the beneficiary is the member's spouse, shall be entitled to a monthly insurance contribution of ten dollars ($10) for each year of service the member attained as a participating employee in a hazardous position or as a participating member of the State Police Retirement System.

(c) 1. The minimum service requirement to participate in benefits as provided by paragraph (a) of this subsection shall be waived for a member who is disabled as a direct result of an act in line of duty as defined in KRS 16.505, and the member or his spouse and eligible dependents shall be entitled to the benefits payable under this subsection as though the member had twenty (20) years of service in a hazardous position.

2. The minimum service required to participate in benefits as provided by paragraph (a) of this subsection shall be waived for a member who is disabled by a duty-related injury as defined in KRS 61.621, and the member shall be entitled to the benefits payable under this subsection as though the member has twenty (20) years of service in a nonhazardous position.

3. Notwithstanding the provisions of this section, the minimum service required to participate in benefits as provided by paragraph (a) of this
subsection shall be waived for a member who dies as a direct result of an
act in line of duty as defined in KRS 16.505 or who dies as a result of a
duty-related injury as defined in KRS 61.621, and the premium for the
member's spouse and for each dependent child as defined in KRS 16.505
shall be paid in full by the systems so long as they individually remain
eligible for a monthly retirement benefit.

(d) Except as provided by paragraph (c)3. of this subsection, the monthly
insurance contribution amount shall be increased July 1 of each year by one
and one-half percent (1.5%). The increase shall be cumulative and shall
continue to accrue after the member's retirement for as long as a monthly
insurance contribution is payable to the retired member or beneficiary.

(e) The benefits of this subsection provided to a member whose participation
begins on or after July 1, 2003, shall not be considered as benefits protected
by the inviolable contract provisions of KRS 61.692, 16.652, and 78.852. The
General Assembly reserves the right to suspend or reduce the benefits
conferred in this subsection if in its judgment the welfare of the
Commonwealth so demands.

(f) An employee whose membership date is on or after September 1, 2008, who
retires and is reemployed in a regular full-time position required to participate
in one (1) of the systems administered by Kentucky Retirement Systems shall
not be eligible for health insurance coverage or benefits provided by this
section and shall take coverage with his or her employing agency during the
period of reemployment in a regular full-time position.

⇒ Section 5. Notwithstanding the provisions of Section 1 of this Act or 2013 Ky.
Acts ch. 120 to the contrary, the successor of the County Employees Retirement System
trustee whose election as trustee was completed in accordance with 2013 Ky. Acts ch.
120, sec. 82, shall be elected during the period of January 1, 2021, through March 31,
2021, in accordance with procedures set forth in Section 1 of this Act and the election policy adopted by the board of trustees, but shall not take office until November 1, 2021, and shall serve a term of office ending March 31, 2025.
