AN ACT relating to parole violators.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 439.3106 is amended to read as follows:

1. Supervised individuals shall be subject to:

   (a)(1) Violation revocation proceedings and possible incarceration for failure
to comply with the conditions of supervision when such failure constitutes a
significant risk to prior victims of the supervised individual or the community
at large, and cannot be appropriately managed in the community; or

   (b)(2) Sanctions other than revocation and incarceration as appropriate to the
severity of the violation behavior, the risk of future criminal behavior by the
offender, and the need for, and availability of, interventions which may assist
the offender to remain compliant and crime-free in the community.

2. (a) At a final revocation hearing, the board may subject a supervised individual
to a supervision continuation sanction for a period of up to nine (9) months,
or until the completion of the individual's sentence, whichever is shorter.

   (b) Individuals under a supervision continuation sanction shall be placed in:

   1. A state or local correctional or detention facility;

   2. An inpatient program for substance abuse treatment which has been
      approved by the department; or

      have been classified by the department as community custody.

   (c) Individuals under a supervision continuation sanction shall be considered
an inmate for the duration of the supervision continuation sanction period.
If an individual under a supervision continuation sanction successfully
completes the sanction and has not completed the individual's sentence, the
individual shall then be considered a supervised individual.

   (d) 1. When a supervised individual has successfully completed the
supervision continuation sanction and has not completed the individual's sentence, the individual shall be:

a. Reinstated to supervision in the community without another hearing before the board; and

b. Subject to the same supervision conditions that the individual had been under at the time of the preliminary revocation hearing.

2. When a supervised individual does not successfully complete a supervision continuation sanction and has not completed the individual's sentence, the individual shall be returned to the board for revocation proceedings.

Section 2. KRS 439.348 is amended to read as follows:

Paroled prisoners shall be under the supervision of the department and subject to its direction for the duration of parole. Supervision of the parolee by the department shall cease at the time:

(1) Of recommitment of the prisoner to prison as a parole violator, including recommitment under a supervision continuation sanction, at which time the prisoner shall be considered an inmate; or

(2) A final discharge from parole is granted to the parolee by the board.
