Section 5. KRS 342.122 is amended to read as follows:

(1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose
of funding and prefunding the liabilities of the special fund, financing the
administration and operation of the Kentucky Workers' Compensation
Funding Commission, and financing the expenditures for all programs in the
Labor Cabinet, except the [Division of Apprenticeship and] Division of
Wages and Hours in the Department of Workplace Standards, as reflected in
the enacted budget of the Commonwealth and enacted by the General
Assembly, the funding commission shall impose a special fund assessment
rate of nine percent (9%) upon the amount of workers' compensation
premiums received on and after January 1, 1997, through December 31, 1997,
by every insurance carrier writing workers' compensation insurance in the
Commonwealth, by every self-insured group operating under the provisions of
KRS 342.350(4) and Chapter 304, and against the premium, as defined in
KRS 342.0011, of every employer carrying his or her own risk.

(b) The funding commission shall, for calendar year 1998 and thereafter, establish
for the special fund an assessment rate to be assessed against all premium
received during that calendar year which shall produce enough revenue to
amortize on a level basis the unfunded liability of the special fund as of June
30 preceding January 1 of each year, for the period remaining until December
31, 2029. The interest rate to be used in this calculation shall reflect the
funding commission's investment experience to date and the current
investment policies of the commission. This assessment shall be imposed
upon the amount of workers' compensation premiums received by every
insurance carrier writing workers' compensation insurance in the
Commonwealth, by every self-insured group operating under the provisions of
KRS 342.350(4) and Chapter 304, and against the premium, as defined in
KRS 342.0011, of every employer carrying its own risk. On or before October
1 of each year, the commission shall notify each insurance carrier writing
workers' compensation insurance in the Commonwealth, every group of self-
insured employers, and each employer carrying its own risk, of the rates which
shall become effective on January 1 of each year, unless modified by the
General Assembly.

(c) All assessments imposed by this section shall be paid to the Kentucky
Workers' Compensation Funding Commission and shall be credited to the
benefit reserve fund within the Kentucky Workers' Compensation Funding
Commission.

(d) The assessments imposed in this chapter shall be in lieu of all other
assessments or taxes on workers' compensation premiums.

(2) (a) These assessments shall be paid quarterly not later than the thirtieth day of the
month following the end of the quarter in which the premium is received.
Receipt shall be considered timely through actual physical receipt or by
postmark of the United States Postal Service. Employers carrying their own
risk and employers defined in KRS 342.630(2) shall pay the annual
assessments in four (4) equal quarterly installments.

(b) Beginning on January 1, 2020, all assessments shall be electronically remitted
to the funding commission quarterly not later than the thirtieth day of the
month following the end of the quarter in which the premium is received.
Receipt shall be considered timely when filed and remitted using the
appropriate electronic pay system as prescribed by the funding commission.
Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(3) The assessments imposed by this section may be collected by the insurance carrier from the insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

(4) A self-insured group may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a self-
insured group.

(5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each self-insured group to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or self-insured group may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or self-insured group from the obligation to furnish same to the funding commission. The Office of Employment and Training, Education and Workforce Development Cabinet, is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(6) Each self-insured employer, self-insured group, or insurance carrier shall provide any information and submit any reports the Department of Revenue or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
(8) The fund heretofore designated as the subsequent claim fund is abolished, and there
is substituted therefor the special fund as set out by this section, and all moneys and
properties owned by the subsequent claim fund are transferred to the special fund.
(9) Notwithstanding any other provisions of this section or this chapter to the contrary,
the total amount of funds collected pursuant to the assessment rates adopted by the
funding commission shall not be limited to the provisions of this section.
(10) All assessment rates imposed for periods prior to January 1, 1997, under KRS
342.122 shall forever remain applicable to premiums received on policies with
effective dates prior to January 1, 1997, by every insurance carrier writing workers'
compensation insurance in the Commonwealth, by every self-insured group
operating under the provision of KRS 342.350(4) and Chapter 304, and against the
premium, as defined in KRS 342.0011, of every employer carrying its own risk.
