The following bill was reported to the Senate from the House and ordered to be printed.
AN ACT relating to the contracting or reemployment of retired state and local employees.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.590 is amended to read as follows:

(1) (a) A member or beneficiary eligible to receive retirement benefits under any of the provisions of KRS 61.510 to 61.705, 78.510 to 78.852, and 16.510 to 16.652 shall have on file at the retirement office on the form prescribed by the board, a correctly completed notification of retirement, giving his or her name, address, Social Security number or Kentucky Retirement Systems member identification number, last day of employment, and other information the system may require. The form entitled "Notification of Retirement" shall not be filed more than six (6) months before the member's effective retirement date; and

(b) A member eligible to receive retirement benefits under any of the provisions of KRS 61.510 to 61.705, 78.510 to 78.852, and 16.510 to 16.652 shall certify in writing on the "Notification of Retirement" form or another form prescribed by the board that no prearranged agreement existed prior to the member's retirement between the member and any participating agency in the systems administered by the Kentucky Retirement Systems for the member to return to employment with the participating agency. No retirement benefits shall be paid to the member until the member completes the certification required by this paragraph.

(2) After receipt of the correctly completed form entitled "Notification of Retirement", the system shall cause to be prepared an estimate of the amounts the member or beneficiary may expect to receive under the various plans available to the member or beneficiary. This information shall be recorded on a form entitled "Estimated Retirement Allowance" and forwarded to the member or beneficiary.
(3) The member or beneficiary shall file at the retirement office the form entitled "Estimated Retirement Allowance" after he has checked one (1) payment option of his choice, signed the document, and had his signature witnessed. A member shall not have the right to select a different payment option on or after the first day of the month in which the member receives his or her first retirement allowance or after the effective date of a deferred retirement option as provided by subsection (6) of this section. A beneficiary shall not have the right to select a different payment option after the effective date of the beneficiary's retirement allowance as provided in subsection (7) of this section.

(4) A member or beneficiary choosing a monthly payment option shall have on file at the retirement office his birth certificate or other acceptable evidence of date of birth. If a survivorship option is chosen, proof of dates of birth of the beneficiary and member shall be on file at the retirement office.

(5) (a) The effective date of normal retirement shall be the first month following the month in which employment from all employers participating in any of the systems administered by Kentucky Retirement Systems was terminated.

(b) The effective date of disability retirement shall be the first month following the month in which the member's last day of paid employment in a regular full-time position occurred, provided the member files the form entitled "Estimated Retirement Allowance" no later than six (6) months following the date the notification of approval for disability retirement benefits is mailed. If the member fails to file the form entitled "Estimated Retirement Allowance" within six (6) months of the date the notification of approval for disability retirement benefits is mailed, then the member's form entitled "Notification of Retirement" shall be void. The member shall be required to submit a new form entitled "Notification of Retirement" to apply for disability retirement and reestablish eligibility for disability retirement benefits.
(c) The effective date of early retirement shall be the first month following the
month a correctly completed form entitled "Notification of Retirement" is
filed at the retirement office or a future month designated by the member, if
employment from all employers participating in any of the systems
administered by Kentucky Retirement Systems has been terminated and if the
member files the form entitled "Estimated Retirement Allowance" no later
than six (6) months following termination. If the member fails to file the form
entitled "Estimated Retirement Allowance" within six (6) months following
the effective retirement date of the member, then the member's form entitled
"Notification of Retirement" shall be void and the member shall be required to
submit a new form entitled "Notification of Retirement" to apply for early
retirement.

(6) The effective date of a deferred retirement option as provided under KRS 16.576(5)
shall be the month following age sixty-five (65), or the month following written
notification from the member that he wishes to begin receiving retirement
payments. In the event of the death of a member who has deferred his retirement
allowance, the effective date of retirement shall be the month following the
member's death.

(7) Notwithstanding the provisions of KRS 16.578 or 61.640, the effective date of a
beneficiary's retirement allowance under normal, early, or disability retirement shall
be as prescribed in subsection (5) or (6) of this section if the member dies before the
first day of the month in which the member would have received his or her first
retirement allowance and his beneficiary becomes eligible for payments under KRS
16.578 or 61.640.

Section 2. KRS 61.637 is amended to read as follows:

(1) A retired member who is receiving monthly retirement payments under any of the
provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed
as an employee by a participating agency prior to August 1, 1998, shall have his 
retirement payments suspended for the duration of reemployment. Monthly 
payments shall not be suspended for a retired member who is reemployed if he 
anticipates that he will receive less than the maximum permissible earnings as 
provided by the Federal Social Security Act in compensation as a result of 
reemployment during the calendar year. The payments shall be suspended at the 
beginning of the month in which the reemployment occurs.

(2) Employer and employee contributions shall be made as provided in KRS 61.510 to 
61.705 and 78.510 to 78.852 on the compensation paid during reemployment, 
except where monthly payments were not suspended as provided in subsection (1) 
of this section or would not increase the retired member's last monthly retirement 
allowance by at least one dollar ($1), and the member shall be credited with 
additional service credit.

(3) In the month following the termination of reemployment, retirement allowance 
payments shall be reinstated under the plan under which the member was receiving 
payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in 
accordance with subsection (1) of this section shall be paid retroactively to the 
retired member, or his estate, if he does not receive more than the maximum 
permissible earnings as provided by the Federal Social Security Act in 
compensation from participating agencies during any calendar year of 
reemployment.

(b) If the retired member is paid suspended payments retroactively in accordance 
with this section, employee contributions deducted during his period of 
reemployment, if any, shall be refunded to the retired employee, and no 
service credit shall be earned for the period of reemployment.

(c) If the retired member is not eligible to be paid suspended payments for his
period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;

2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);

3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;

4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691; and

5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.

(5) A retired member, or his estate, shall pay to the retirement fund the total amount of
payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his estate may repay the lesser of the total amount of payments which were not suspended or fifty cents ($0.50) of each dollar earned over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar ($1) for every three dollars ($3) earned if over age sixty-five (65).

(6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095.

(b) A retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission and accepts employment by an agency participating in the Kentucky Employees Retirement System or County Employees Retirement System shall void his retirement by reimbursing the system in the full amount of his retirement allowance payments received.

(7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. Reemployed retired members shall be treated as new members upon reemployment. Any retired member whose reemployment date preceded August 1, 1998, who does not elect, within sixty (60) days of notification by the retirement systems, to remain under the provisions of subsections (1) to (4) of this section shall be deemed to have elected to participate under this subsection.

(b) A retired member whose disability retirement was discontinued pursuant to
KRS 61.615 and who is reemployed in one (1) of the systems administered by
the Kentucky Retirement Systems prior to his or her normal retirement date
shall have his or her accounts combined upon termination for determining
eligibility for benefits. If the member is eligible for retirement, the member's
service and creditable compensation earned as a result of his or her
reemployment shall be used in the calculation of benefits, except that the
member's final compensation shall not be less than the final compensation last
used in determining his or her retirement allowance. The member shall not
change beneficiary or payment option designations. This provision shall apply
to members reemployed on or after August 1, 1998.

(8) If a retired member accepts employment or begins serving as a volunteer with an
employer participating in the systems administered by Kentucky Retirement
Systems within twelve (12) months of his or her retirement date, the[-A] retired
member [or his employer] shall notify the retirement system if he has accepted
employment or is serving as a volunteer with an employer that participates in the
retirement system from which the member retired. The retired member] and the
participating employer shall submit the information required or requested by the
systems to confirm the individual's employment or volunteer status. The retired
member shall not be required to notify the retirement systems regarding any
employment or volunteer service with a participating agency that is accepted after
twelve (12) months following his or her retirement date.

(9) If the retired member is under a contract to provide services as an independent
contractor or leased employee to an employer participating in the systems
administered by Kentucky Retirement Systems within twelve (12) months of his or
her retirement date, the member shall submit a copy of that contract to the
retirement system, and the retirement system shall determine if the member is an
independent contractor or leased employee for purposes of retirement benefits. The
retired member and the participating employer shall submit the information required
or requested by the systems to confirm the individual's [employment or volunteer]
status as an independent contractor or leased employee. The retired member shall
not be required to notify the retirement systems regarding any services entered
into as an independent contractor or leased employee with a participating agency
that the employee enters into after twelve (12) months following his or her
retirement date.

(10) If a member is receiving a retirement allowance, or has filed the forms required for
a retirement allowance, and is employed within one (1) month of the member's
initial retirement date in a position that is required to participate in the same
retirement system from which the member retired, the member's retirement shall be
voided and the member shall repay to the retirement system all benefits received.
The member shall contribute to the member account established for him prior to his
voided retirement. The retirement allowance for which the member shall be eligible
upon retirement shall be determined by total service and creditable compensation.

(11) (a) If a member of the Kentucky Employees Retirement System retires from a
department which participates in more than one (1) retirement system and is
reemployed within one (1) month of his initial retirement date by the same
department in a position participating in another retirement system, the retired
member's retirement allowance shall be suspended for the first month of his
retirement and the member shall repay to the retirement system all benefits
received for the month.

(b) A retired member of the County Employees Retirement System who after
initial retirement is hired by the county from which the member retired shall
be considered to have been hired by the same employer.

(12) (a) If a hazardous member who retired prior to age fifty-five (55), or a
nonhazardous member who retired prior to age sixty-five (65), is reemployed
within six (6) months of the member's termination by the same employer, the
member shall obtain from his previous and current employers a copy of the
job description established by the employers for the position and a statement
of the duties performed by the member for the position from which he retired
and for the position in which he has been reemployed.

(b) The job descriptions and statements of duties shall be filed with the retirement
office.

(13) If the retirement system determines that the retired member has been employed in a
position with the same principal duties as the position from which the member
retired:

(a) The member's retirement allowance shall be suspended during the period that
begins on the month in which the member is reemployed and ends six (6)
months after the member's termination;

(b) The retired member shall repay to the retirement system all benefits paid from
systems administered by Kentucky Retirement Systems under reciprocity,
including medical insurance benefits, that the member received after
reemployment began;

(c) Upon termination, or subsequent to expiration of the six (6) month period
from the date of termination, the retired member's retirement allowance based
on his initial retirement account shall no longer be suspended and the member
shall receive the amount to which he is entitled, including an increase as
provided by KRS 61.691;

(d) Except as provided in subsection (7) of this section, if the position in which a
retired member is employed after initial retirement is a regular full-time
position, the retired member shall contribute to a second member account
established for him in the retirement system. Service credit gained after the
member's date of reemployment shall be credited to the second member
account; and

(e) Upon termination, the retired member shall be entitled to benefits payable from his second retirement account.

(14) (a) If the retirement system determines that the retired member has not been reemployed in a position with the same principal duties as the position from which he retired, the retired member shall continue to receive his retirement allowance.

(b) If the position is a regular full-time position, the member shall contribute to a second member account in the retirement system.

(15) (a) If a retired member is reemployed at least one (1) month after initial retirement in a different position, or at least six (6) months after initial retirement in the same position, and prior to normal retirement age, the retired member shall contribute to a second member account in the retirement system and continue to receive a retirement allowance from the first member account.

(b) Service credit gained after reemployment shall be credited to the second member account. Upon termination, the retired member shall be entitled to benefits payable from the second member account.

(16) A retired member who is reemployed and contributing to a second member account shall not be eligible to purchase service credit under any of the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 which he was eligible to purchase prior to his initial retirement.

(17) Notwithstanding any provision of subsections (1) to (7)(a) and (10) to (15) of this section, the following shall apply to retired members who retired prior to January 1, 2019, and who are reemployed by an agency participating in one (1) of the systems administered by Kentucky Retirement Systems on or after September 1, 2008:

(a) Except as provided by paragraphs (c) and (d) of this subsection, if a member is
receiving a retirement allowance from one (1) of the systems administered by
Kentucky Retirement Systems, or has filed the forms required to receive a
retirement allowance from one (1) of the systems administered by Kentucky
Retirement Systems, and is employed in a regular full-time position required
to participate in one (1) of the systems administered by Kentucky Retirement
Systems or is employed in a position that is not considered regular full-time
with an agency participating in one (1) of the systems administered by
Kentucky Retirement Systems within three (3) months following the member's
initial retirement date, the member's retirement shall be voided, and the
member shall repay to the retirement system all benefits received, including
any health insurance benefits. If the member is returning to work in a regular
full-time position required to participate in one (1) of the systems
administered by Kentucky Retirement Systems:

1. The member shall contribute to a member account established for him or
   her in one (1) of the systems administered by Kentucky Retirement
   Systems, and employer contributions shall be paid on behalf of the
   member by the participating employer; and

2. Upon subsequent retirement, the member shall be eligible for a
   retirement allowance based upon total service and creditable
   compensation, including any additional service or creditable
   compensation earned after his or her initial retirement was voided;

(b) Except as provided by paragraphs (c) and (d) of this subsection, if a member is
receiving a retirement allowance from one (1) of the systems administered by
Kentucky Retirement Systems and is employed in a regular full-time position
required to participate in one (1) of the systems administered by Kentucky
Retirement Systems after a three (3) month period following the member's
initial retirement date, the member may continue to receive his or her
retirement allowance during the period of reemployment subject to the
following provisions:

1. *If a member is reemployed by a participating agency within twelve (12)
months of the member's retirement date, the* [both the employee and]
participating agency shall certify in writing on a form prescribed by the
board that no prearranged agreement existed between the employee and
agency prior to the employee's retirement for the employee to return to
work with the participating agency. If an elected official is reelected to a
new term of office in the same position and retires following the election
but prior to taking the new term of office, he or she shall be deemed by
the system as having a prearranged agreement under the provisions of
this subparagraph and shall have his or her retirement voided. If the
participating agency *fails* [or employer *fails*] to complete the certification,
the member's retirement shall be voided and the provisions of paragraph
(a) of this subsection shall apply to the member and the employer.

*Employment that is accepted by the retired member after twelve (12)
months following the member's retirement date shall not constitute a
prearranged agreement under this paragraph;*

2. Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to
the contrary, the member shall not contribute to the systems and shall
not earn any additional benefits for any work performed during the
period of reemployment;

3. Except as provided by KRS 70.291 to 70.293 and 95.022 and except for
any retiree employed as a school resource officer as defined by KRS
158.441, the employer shall pay employer contributions as specified by
KRS 61.565 and 61.702 on all creditable compensation earned by the
employee during the period of reemployment. The additional
contributions paid shall be used to reduce the unfunded actuarial liability of the systems; and

4. Except as provided by KRS 70.291 to 70.293 and 95.022 and except for any retiree employed as a school resource officer as defined by KRS 158.441, the employer shall be required to reimburse the systems for the cost of the health insurance premium paid by the systems to provide coverage for the retiree, not to exceed the cost of the single premium. Effective July 1, 2015, local school boards shall not be required to pay the reimbursement required by this subparagraph for retirees employed by the board for eighty (80) days or less during the fiscal year;

(c) If a member is receiving a retirement allowance from the State Police Retirement System or from hazardous duty retirement coverage with the Kentucky Employees Retirement System or the County Employees Retirement System, or has filed the forms required to receive a retirement allowance from the State Police Retirement System or from hazardous duty retirement coverage with the Kentucky Employees Retirement System or the County Employees Retirement System, and is employed in a regular full-time position required to participate in the State Police Retirement System or in a hazardous duty position with the Kentucky Employees Retirement System or the County Employees Retirement System within one (1) month following the member's initial retirement date, the member's retirement shall be voided, and the member shall repay to the retirement system all benefits received, including any health insurance benefits. If the member is returning to work in a regular full-time position required to participate in one (1) of the systems administered by Kentucky Retirement Systems:

1. The member shall contribute to a member account established for him or her in one (1) of the systems administered by Kentucky Retirement
Systems, and employer contributions shall be paid on behalf of the
member by the participating employer; and

2. Upon subsequent retirement, the member shall be eligible for a
retirement allowance based upon total service and creditable
compensation, including any additional service or creditable
compensation earned after his or her initial retirement was voided;

(d) If a member is receiving a retirement allowance from the State Police
Retirement System or from hazardous duty retirement coverage with the
Kentucky Employees Retirement System or the County Employees Retirement
System and is employed in a regular full-time position required to participate
in the State Police Retirement System or in a hazardous duty position with the
Kentucky Employees Retirement System or the County Employees Retirement
System after a one (1) month period following the member’s initial retirement
date, the member may continue to receive his or her retirement allowance
during the period of reemployment subject to the following provisions:

1. If a member is reemployed by a participating agency within twelve (12)
months of the member’s retirement date the [both the employee and] part-
participating agency shall certify in writing on a form prescribed by the
board that no prearranged agreement existed between the employee and
agency prior to the employee’s retirement for the employee to return to
work with the participating agency. If an elected official is reelected to a
new term of office in the same position and retires following the election
but prior to taking the new term of office, he or she shall be deemed by
the system as having a prearranged agreement under the provisions of
this subparagraph and shall have his or her retirement voided. If the
participating agency fails [or employer fails] to complete the certification,
the member’s retirement shall be voided and the provisions of paragraph
(c) of this subsection shall apply to the member and the employer.

Employment that is accepted by the retired member after twelve (12) months following the member's retirement date shall not constitute a prearranged agreement under this paragraph;

2. Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to the contrary, the member shall not contribute to the systems and shall not earn any additional benefits for any work performed during the period of reemployment;

3. Except as provided by KRS 70.291 to 70.293 and 95.022 and except for any retiree employed as a school resource officer as defined by KRS 158.441, the employer shall pay employer contributions as specified by KRS 61.565 and 61.702 on all creditable compensation earned by the employee during the period of reemployment. The additional contributions paid shall be used to reduce the unfunded actuarial liability of the systems;

4. Except as provided by KRS 70.291 to 70.293 and 95.022 and except for any retiree employed as a school resource officer as defined by KRS 158.441, the employer shall be required to reimburse the systems for the cost of the health insurance premium paid by the systems to provide coverage for the retiree, not to exceed the cost of the single premium;

(e) Notwithstanding paragraphs (a) to (d) of this subsection, a retired member who qualifies as a volunteer for an employer participating in one (1) of the systems administered by Kentucky Retirement Systems and who is receiving reimbursement of actual expenses, a nominal fee for his or her volunteer services, or both, shall not be considered an employee of the participating employer and shall not be subject to paragraphs (a) to (d) of this subsection if:

1. Prior to the retired member's most recent retirement date, he or she did
not receive creditable compensation from the participating employer in
which the retired member is performing volunteer services;

2. Any reimbursement or nominal fee received prior to the retired
member's most recent retirement date has not been credited as creditable
compensation to the member's account or utilized in the calculation of
the retired member's benefits;

3. The retired member has not purchased or received service credit under
any of the provisions of KRS 61.510 to 61.705 or 78.510 to 78.852 for
service with the participating employer for which the retired member is
performing volunteer services; and

4. Other than the status of volunteer, the retired member does not become
an employee, leased employee, or independent contractor of the
employer for which he or she is performing volunteer services for a
period of at least twenty-four (24) months following the retired
member's most recent retirement date.

If a retired member, who provided volunteer services with a participating
employer under this paragraph violates any provision of this paragraph, then
he or she shall be deemed an employee of the participating employer as of the
date he or she began providing volunteer services and both the retired member
and the participating employer shall be subject to paragraphs (a) to (d) of this
subsection for the period of volunteer service;[and]

(f) Notwithstanding any provision of this section, any mayor or member of a city
legislative body who has not participated in the County Employees Retirement
System prior to retirement, but who is otherwise eligible to retire from the
Kentucky Employees Retirement System or the State Police Retirement
System, shall not be:

1. Required to resign from his or her position as mayor or as a member of
the city legislative body in order to begin drawing benefits from the
Kentucky Employees Retirement System or the State Police Retirement
System; or

2. Subject to any provision of this section as it relates solely to his or her
service as a mayor or member of the city legislative body;

(g) If a member is receiving a retirement allowance from any of the retirement
systems administered by the Kentucky Retirement Systems and enters into a
contract or becomes a leased employee of an employer under contract with
an employer participating in one (1) of the systems administered by
Kentucky Retirement Systems:

1. At any time following retirement, if the system determines the
employment arrangement does qualify as an independent contractor
or leased employee, the member may continue to receive his or her
retirement allowance during the period of the contract;

2. Within three (3) months following the member's initial retirement
date, if the system determines the employment arrangement does not
qualify as an independent contractor or leased employee, the
member's retirement shall be voided in accordance with paragraph (a)
of this subsection;

3. After three (3) months but within twelve (12) months following the
member's initial retirement, if the system determines the employment
arrangement does not qualify as an independent contractor or leased
employee and that a prearranged agreement existed between the
member and the agency for the member to return to work with the
agency, the member's retirement shall be voided in accordance with
paragraph (a) of this subsection; and

4. After a twelve (12) month period following the member's initial
retirement, the member may continue to receive his or her retirement
allowance during the period of the contract and the member shall not
be required to notify the system or submit any documentation for
purposes of this section to the system.

The initiation of a contract or the initial date of the leased employment of a
retired member by a participating agency that occurs after twelve (12)
months or more following the retired member's retirement date shall not
constitute a prearranged agreement under this subsection; and

(h) The Kentucky Retirement Systems shall issue a final determination
regarding a certification of the absence of a prearranged agreement or the
retired member's qualification as an independent contractor or leased
employee as required under this section no later than thirty (30) days after
the retired member and participating employer provide all required forms
and additional information required by the Kentucky Retirement Systems.

(18) The Kentucky Retirement Systems shall promulgate administrative
regulations to implement the requirements of this section, including
incorporating by reference board-prescribed forms that a retired member
and participating agency shall provide the systems under subsections (8),
(9), and (17) of this section. [Notwithstanding any provision of subsections (1)
to (7)(a) and (10) to (17) of this section, the following shall apply to retired
members, retirees, or annuitants of the systems or plans administered by the
Kentucky Retirement Systems, the Judicial Form Retirement System, and the
Teachers' Retirement System, who retire and begin drawing a retirement
allowance on or after January 1, 2019, and are reemployed on or after January
1, 2019, by an agency participating in the systems administered by the
Kentucky Retirement Systems:

(a)—Except as provided by paragraphs (c) and (d) of this subsection, if a retired

member is receiving a retirement allowance from the systems administered by
the Kentucky Retirement Systems and is reemployed in any position with an
agency participating in any of the systems administered by the Kentucky
Retirement Systems, regardless of whether or not the position is considered
regular full-time under KRS 61.510(21), 78.510(21), or paragraph (g) of this
subsection, within a three (3) month period following the member's initial
retirement date from the systems, the member's retirement shall be voided and
the member shall repay to the system all benefits received, including any
health insurance benefits. If the member's retirement is voided as provided by
this paragraph and the member has returned to work in a position that is
considered a regular full-time position in the systems administered by
Kentucky Retirement Systems as defined in KRS 61.510(21) or 78.510(21), as
applicable:

1. The member shall contribute to a member account established for him or her
in one (1) of the systems administered by the Kentucky Retirement Systems
and employer contributions shall be paid on behalf of the member by the
participating employer; and

2. Upon subsequent retirement, the member shall be eligible for a retirement
allowance based upon total service, accumulated account balance, and
creditable compensation, including any additional service, creditable

retirement was voided, subject to the limitations of KRS 6.525, 21.374,
61.5955, or 61.5956;

(b) Except as provided by paragraphs (c) and (d) of this subsection, if a retired
member, annuitant, or retiree is receiving a retirement allowance from the
systems administered by the Kentucky Retirement Systems and is reemployed
or elected to a position with an agency participating in the systems
administered by the Kentucky Retirement Systems after a three (3) month period following the member's initial retirement date from the system;

1. Both the employee and participating agency shall certify in writing on a form prescribed by the board that no prearranged agreement existed between the employee and agency prior to the employee's retirement for the employee to return to work with the participating agency. If an elected official is reelected to a new term of office in the same position and retires following the election but prior to taking the new term of office, he or she shall be deemed by the system as having a prearranged agreement under the provisions of this subparagraph and shall have his or her retirement voided. If the participating agency or employer fails to complete the certification, the member's retirement shall be voided and the provisions of paragraph (a) of this subsection shall apply to the member and the employer;

2. The member shall not contribute to the system and shall not earn any additional benefits for any work performed during the period of reemployment;

   b. The period of reemployment is considered regular full-time but the member has not returned to reemployment for at least a twelve (12) month period following his or her initial retirement. If the member returns to reemployment in a regular full-time position after a three (3) month but prior to a twelve (12) month period following his or her initial retirement, then the member's retirement allowance shall be suspended until twelve (12) months following his or her initial retirement; and

The employer-normal-cost contributions shall be payable on the employee's behalf for the period of regular full-time reemployment and shall be used to pay down the unfunded liability of the systems;

(c) If a member is receiving a retirement allowance from the State Police Retirement System or from hazardous-duty retirement coverage with the Kentucky Employees Retirement System or the County Employees Retirement System or is a certified peace officer as provided in KRS Chapter 15, and is reemployed in any position with an agency participating in the systems or plans administered by the Kentucky Retirement Systems, regardless of whether or not the position is considered regular full-time under KRS 61.510(21), 78.510(21), or paragraph (g) of this subsection, within a one (1) month period following the member's initial retirement date from the system, the member's retirement shall be voided and the member shall repay to the system or plan all benefits received, including any health insurance benefits. If the member's retirement is voided as provided by this paragraph and the member has returned to work in a position that qualifies for participation in a position that is considered a regular full-time position in the systems administered by Kentucky Retirement Systems as defined in KRS 61.510(21) or 78.510(21), as applicable:

1. Both the employee and participating agency shall certify in writing on a form prescribed by the board that no prearranged agreement existed between the employee and agency prior to the employee's retirement for the employee to return to work with the participating agency. If an elected official is reelected to a new term of office in the same position and retires following the election but prior to taking the new term of office, he or she shall be deemed by the system as having a prearranged agreement under the provisions of this subparagraph and shall have his or her retirement voided. (e) Notwithstanding paragraphs (a) to (d) of this subsection, a retired member who qualifies as a volunteer for an employer participating in one (1) of the systems administered by Kentucky Retirement Systems and who is receiving reimbursement of actual expenses, a nominal fee for his or her volunteer services, or both, shall not be considered an employee of the participating employer and shall not be subject to paragraphs (a) to (d) of this subsection if:

1. Prior to the retired member's most recent retirement date, he or she did not receive creditable compensation from the participating employer for which the retired member is performing volunteer services;

2. Any reimbursement or nominal fee received prior to the retired member's most recent retirement date has not been credited as creditable compensation to the member's account or utilized in the calculation of the retired member's benefits;

3. The retired member has not purchased or received service credit under any of the provisions of KRS 61.510 to 61.705 or 78.510 to 78.852 for service with the participating employer for which the retired member is performing volunteer services; and

4. Other than the status of volunteer, the retired member does not become an
employee, leased-employee, or independent-contractor of the employer for
which he or she is performing volunteer services for a period of at least
twenty-four (24) months following the retired member's most recent

(d) of this subsection for the period of volunteer service;
