However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions
remain open after compliance with those procedures.

    the council shall decide, in a public meeting by majority vote
    of the membership of the council, whether to accept or reject
    the recommended principal candidate;

c. If the recommended candidate is selected, and the recommended
   candidate accepts the offer, the name of the candidate shall be
   made public during the next meeting in open session;

d. i. If the recommended candidate is not accepted by the school
    council under subdivision b. of this subparagraph, then the
    process set forth in subdivision a. of this subparagraph shall
    apply.

ii. The confidentially recommended candidate's name and the
    discussions of the closed session shall remain confidential
under KRS 61.810(1)(f), and any documents used or
generated during the closed meeting shall not be subject to an
open records request as provided in KRS 61.878(1)(i) and (j).

members of the school council from liability arising in the course of pursuing their
duties as members of the council.

(5) All schools shall implement school-based decision making in accordance with this
section and with the policy adopted by the local board pursuant to this section.
Upon favorable vote of a majority of the faculty at the school and a majority of at
least twenty-five (25) voting parents of students enrolled in the school, a school
meeting its goal as determined by the Department of Education pursuant to KRS
158.6455 may apply to the Kentucky Board of Education for exemption from the
requirement to implement school-based decision making, and the state board shall
grant the exemption. The voting by the parents on the matter of exemption from
implementing school-based decision making shall be in an election conducted by
the parent and teacher organization of the school or, if none exists, the largest
organization of parents formed for this purpose. Notwithstanding the provisions of
this section, a local school district shall not be required to implement school-based
decision making if the local school district contains only one (1) school.

(6) The Department of Education shall provide professional development activities to
assist schools in implementing school-based decision making. School council

verify that the required training has been completed. School council members
elected to fill a vacancy shall complete the applicable training within thirty (30)
days of their election.

(7) A school that chooses to have school-based decision making but would like to be
exempt from the administrative structure set forth by this section may develop a
model for implementing school-based decision making, including but not limited to
a description of the membership, organization, duties, and responsibilities of a
school council. The school shall submit the model through the local board of
education to the commissioner of education and the Kentucky Board of Education,
which shall have final authority for approval. The application for approval of the
model shall show evidence that it has been developed by representatives of the
parents, students, certified personnel, and the administrators of the school and that

council shall plan professional development in compliance with requirements
specified in KRS 156.095, except as provided in KRS 158.649. School councils of
small schools shall be encouraged to work with other school councils to maximize
professional development opportunities.

(9) (a) No board member, superintendent of schools, district employee, or member of
a school council shall intentionally engage in a pattern of practice which is
detrimental to the successful implementation of or circumvents the intent of
school-based decision making to allow the professional staff members of a
school and parents to be involved in the decision making process in working
toward meeting the educational goals established in KRS 158.645 and
158.6451 or to make decisions in areas of policy assigned to a school council
pursuant to paragraph (i) of subsection (2) of this section.

(b) An affected party who believes a violation of this subsection has occurred may
file a written complaint with the Office of Education Accountability. The
office shall investigate the complaint and resolve the conflict, if possible, or
forward the matter to the Kentucky Board of Education.

(c) The Kentucky Board of Education shall conduct a hearing in accordance with
KRS Chapter 13B for complaints referred by the Office of Education
Accountability.

(d) If the state board determines a violation has occurred, the party shall be
subject to reprimand. A second violation of this subsection may be grounds
for removing a superintendent, a member of a school council, or school board
member from office or grounds for dismissal of an employee for misconduct
in office or willful neglect of duty.

(e) Notwithstanding paragraph (d) of this subsection and KRS 7.410(2)(c), if the
state board determines a violation of the confidentiality requirements set forth
in subsection (2)(h)2. of this section by a school council member has
occurred, the state board shall remove the member from the school council,
and the member shall be permanently prohibited from serving on any school
council in the district.

(10) Notwithstanding subsections (1) to (9) of this section, a school's right to establish or
maintain a school-based decision making council and the powers, duties, and

Education takes action under KRS 160.346.

(11) Each school council of a school containing grades K-5 or any combination thereof,
or if there is no school council, the principal, shall develop and implement a
wellness policy that includes moderate to vigorous physical activity each day and
encourages healthy choices among students. The policy may permit physical activity
to be considered part of the instructional day, not to exceed thirty (30) minutes per
day, or one hundred and fifty (150) minutes per week. Each school council, or if
there is no school council, the principal, shall adopt an assessment tool to determine
each child's level of physical activity on an annual basis. The council or principal
may utilize an existing assessment program. The Kentucky Department of
Education shall make available a list of available resources to carry out the
provisions of this subsection. The department shall report to the Legislative
Research Commission no later than November 1 of each year on how the schools
are providing physical activity under this subsection and on the types of physical
activity being provided. The policy developed by the school council or principal
shall comply with provisions required by federal law, state law, or local board
policy.

(12) Discretionary authority exercised under subsection (2)(h)2.b. of this section shall
not violate provisions of any employer-employee bargained contract existing
between the district and its employees.

1 (1) The Kentucky Board of Education shall promulgate administrative regulations governing the qualifications of teachers' aides in the common schools. All teachers' aides working in kindergarten or with entry level students in primary classes and all instructional teachers' aides initially employed after July 1, 1986, except those with current teacher certification, shall have a high school diploma or a High School Equivalency Diploma.

2 (2) "Noninstructional teacher's aide" means an adult who works under the direct supervision of the teaching staff in performing noninstructional functions such as
clerical duties, lunch room duties, leading pupils in recreational activities, aiding the
school librarian, preparing and organizing instructional material and equipment and
monitoring children during a noninstructional period. Noninstructional teachers'
aides employed on a full-time basis shall possess skills necessary to perform their

Education, a local district may employ teachers' aides in supplementary
instructional and noninstructional activities with pupils. While engaged in an
assignment as authorized under the administrative regulations, and as directed by
the professional administrative and teaching staff, these personnel shall have the
same legal status and protection as a certified teacher in the performance of the
same or similar duties.

(4) Local districts shall give preference to applicants for the position of teacher's aide
who have regular or emergency teacher certification.

(5) Local districts shall provide training of the instructional teacher's aide with the
certified employee to whom he is assigned.
