1. A local public agency may sell or otherwise dispose of any personal property which
   is not needed or has become unsuitable for public use, or which would be suitable,
   consistent with the public interest, for some other use.

2. A written determination as to need of suitability of any personal property of the
   local public agency shall be made; and such determination shall fully describe the
   personal property; its intended use at the time of acquisition; the reasons why it is in
   the public interest to dispose of the item; and the method of disposition to be used.

3. Surplus or excess personal property as described in this section may be transferred,
   with or without compensation, to another governmental agency; or it may be sold at
   public auction or by sealed bids in accordance with KRS 45A.365.

4. In the event that a local public agency receives no bids for surplus or excess
   personal property, either at public auction or by sealed bid, such property may be
   disposed of, consistent with the public interest, in any manner deemed appropriate
   by the local public agency. In such instances, a written description of the property,
   the method of disposal, and the amount of compensation, if any, shall be made. Any
   compensation resulting from the disposal of surplus or excess personal property
   shall be transferred to the general fund of the local public agency.

5. A local board of education may dispose of its surplus technology in accordance with
   KRS 160.335.
