As used in this chapter, unless the context requires otherwise:

(1) "Intervention services" means any preventive, developmental, corrective, supportive services or treatment provided to a student who is at risk of school failure, is at risk of participation in violent behavior or juvenile crime, or has been expelled from the school district. Services may include, but are not limited to, screening to identify students at risk for emotional disabilities and antisocial behavior; direct instruction in academic, social, problem solving, and conflict resolution skills; alternative educational programs; psychological services; identification and assessment of abilities; counseling services; medical services; day treatment; family services; work and community service programs;

(2) "Kentucky State Police school resource officer" or "KSPSRO" means a Kentucky State Police officer, CVE R Class, or Trooper R Class, as defined in KRS 16.010, who is employed by a school district as a school resource officer, as defined in this section, through a contract as secondary employment for the officer;

(4) "School property" means any public school building, public school vehicle, public school campus, grounds, recreational area, or athletic field in the charge of the school district;

(5) "School resource officer" means a sworn law enforcement officer who has specialized training to work with youth at a school site. The school resource officer shall be employed:
(a) Through a contract between a local law enforcement agency and a school district; or
(b) Through a contract as secondary employment for an officer, as defined in KRS 16.010, between the Department of Kentucky State Police and a school district; and

"School security officer" means a person employed by a local board of education who has been appointed a special law enforcement officer pursuant to KRS 61.902 and who has specialized training to work with youth at a school site.

SECTION 2. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FollowS:

(1) A KSPSRO shall possess sworn law enforcement authority and shall be trained in school-based policing and crisis response including all training required of school resource officers. If a school district decides to utilize a KSPSRO, the school district and the officer shall first enter into a memorandum of understanding that clarifies the purpose of the KSPSRO program and the roles and expectations of the participating entities. Any contract entered into pursuant to this subsection shall include:

(a) A provision specifying that the KSPSRO shall follow the policies and procedures of the Department of Kentucky State Police and shall abide by federal, state, and local laws. The responsibility and decision to arrest or take other police action lies solely with the KSPSRO, respective to state law and the KSPSRO's departmental standard operating procedures or standing order. The KSPSRO's continual collaboration with school personnel and his or her understanding of each student's needs may impact the decision to arrest or take other police action, but the responsibility is that of the KSPSRO;

(b) A provision stipulating that the KSPSRO shall be an employee of the school
district, but shall revert to Department of Kentucky State Police employee
status during such time that the KSPSRO takes police action pursuant to
state or federal law. The KSPSRO shall be under the immediate supervision
and direction of the Department of Kentucky State Police when taking
police action:

(c) A provision stipulating that the school district shall be responsible for
worker's compensation coverage for the KSPSRO; and

(d) A provision detailing how liability coverage will be provided for any acts or
omissions of the KSPSRO within the scope of his or her duties.

(2) (a) A KSPSRO shall promote the safety and security of students and school
personnel during school activities and on school property.

(b) A KSPSRO may assist with supportive activities and programs, including
but not limited to:

1. Planning and implementing procedures that train and drill all school
personnel to respond to crisis events, control access to the school
property during the school day, and close or partially close the school
property after students arrive;

2. Identifying risk and protective factors of students; and

3. Coordinating nurturing intervention and prevention efforts.

(c) A KSPSRO shall not address school discipline issues that do not constitute
crimes or that do not impact the immediate health or safety of the students
or school personnel.

(d) A KSPSRO shall not administer formal school discipline such as
detentions, suspensions, or expulsions. These decisions are the sole
responsibility of school personnel.

(3) Notwithstanding KRS Chapter 11A, the KSPSRO shall wear the uniform and
utilize the vehicles, firearms, ammunition, and equipment issued to him or her by
the Department of Kentucky State Police or other agency-authorized clothing or
equipment. In the event additional weapons or gear is utilized than that which is
carried on his or her person, the storage of these items shall be defined by the
Department of Kentucky State Police. If a vehicle or equipment is damaged
during the scope of a KSPSRO's secondary employment with the school district,
but not while the KSPSRO is engaged in police action, the school district is
responsible for restitution to the Department of Kentucky State Police.

(4) Notwithstanding subsection (2) of this section, a KSPSRO shall be deemed an
employee of the Department of Kentucky State Police for all purposes whenever
engaged in any police action, including arrests, searches and seizures, uses of
force, issuing citations, serving warrants, pursuing suspects, or investigating
criminal offenses or vehicle accidents.

(5) Nothing in this section shall be construed to require the Department of Kentucky
State Police to assign or provide funding for KSPSROs.

(6) Nothing in this section shall be deemed to waive or otherwise limit the rights,
privileges, immunities, and matters of defense, now available or hereafter made
available, to school districts, the Department of Kentucky State Police, any local
law enforcement agency, any KSPSRO, or any school resource officer in any suit
brought against them in consequence of acts or omissions.
